

As I write to you all, we are welcoming in the new financial year with lots of extra tasks and our first Katoomba trippers have returned with wonderful feedback about their trip. What a lovely relief to be checking out the Katoomba photographs in between negotiating with insurance brokers and updating mobile phone accounts.

Our rebranded website goes live!!!!

In this month's edition please spend some time reviewing the information about our new website. It has been rebranded and gives you a lot of options to view the current and prior newsletters and to book a service for transport to appointments, shopping, social outings and bus hire. Anything new can be daunting but please persist with your usual online bookings as practice makes perfect. In each edition of the newsletter over the next couple of months we will provide some more information about where you can find information on our website.

Our September Floriade trip is just around the corner, and I still have a few spots available. This is a beautiful time of year to visit the tulips in Canberra and to see well-known sites, such as the War Memorial (recently renovated), Parliament House, the National Museum, the Mint, the Museum of Democracy, the Portrait Gallery and so much more. Our October Hunter Valley trip also has a few spots available and once again spring is a lovely time of year to spend in the Hunter Valley. Call Carol or Shannon to book your spot.

We have a new vehicle type in our fleet. Rosco is our new Toyota Commuter which has 14 seats and will be used in the St George area mostly. Rosco is named after our remarkable volunteer,

Ross Tzaneros who assists the social outings team three days per week.

Thank you to those clients who attended the Community Partners event. It was a remarkable success due to the interaction of our attendees with the store holders and the presenters. There are obviously many older people out there who need more information about aged care services. Thank you to Aidacare who sponsored our event.

At the end of June our NDIS Support Workers undertook NDIS manual handling training to improve how they can support our participants.

They enjoyed a 'hands on' approach testing the hoists, wheelchairs, walkers and beds. Here is our NDIS Coordinator, Vicky, ready for take-off.

We will bid a sad farewell to our Board member Jimmy Bai who has served on our Board as Treasurer and Ordinary Board member for nine years. Jimmy has been a great advocate for us especially with the Chinese community. He leaves us to spend more time with his wife and their first baby who is due to make an appearance in September. We wish him all the happiness in the world!

The AGM is pencilled in for the 18 October for all our members.

Enjoy lots of outings and BActivities and why not try a new shopping centre for a change?

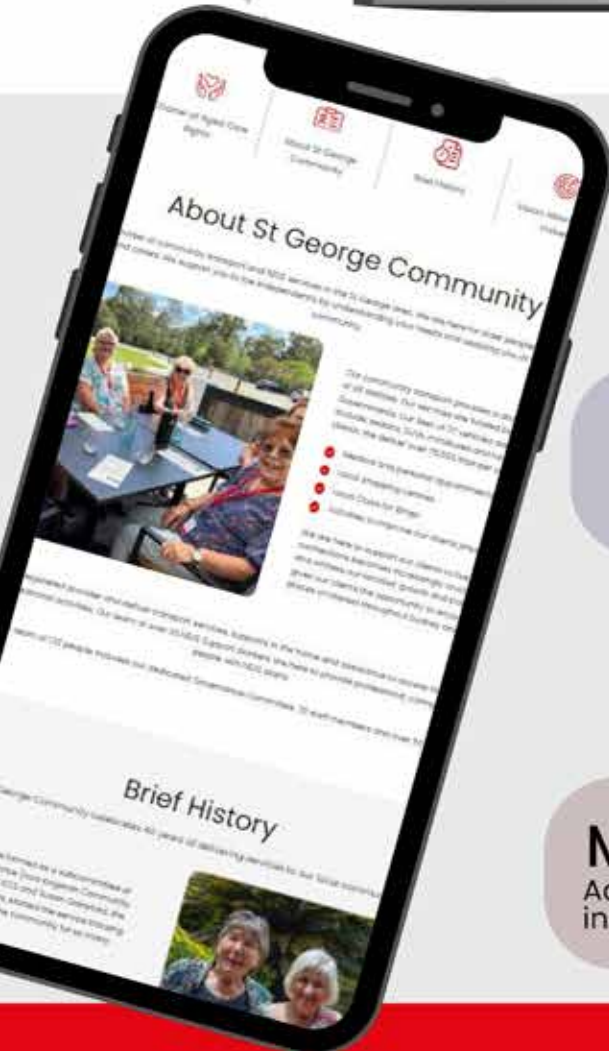

Take Care, Carol
